SPONSORSHIP AND EXHIBITION OPPORTUNITIES

ENGINEERS
AUSTRALIA

Welcome

The Local Organising Committee, the National Committee for Coastal and Ocean Engineering, Engineers Australia, PIANC and IPENZ invite you to sponsor or exhibit at the Coasts & Ports 2017 Conference; an amalgamation of the 23rd Australasian Coastal and Ocean Engineering Conference and the 16th Australasian Port and Harbour Conference.

The Coasts & Ports Conference series is the pre-eminent forum in the Australasian region for professionals to meet and discuss issues extending across all disciplines related to coasts and ports.

Our Conference theme **“Working with Nature”** reflects the increasing recognition of the need to design and operate projects from a perspective that places the natural environment at the forefront of the project, to benefit the community and nature.

An increasing awareness of the value for ecosystem services, both marine and terrestrial, complements this philosophy, and provides opportunity for maximising the benefits of multi-disciplinary collaboration between engineers, scientists and regulatory bodies.

Coasts & Ports 2017 will bring together engineers, planners, scientists and researchers to Cairns, to focus on the technological, scientific, policy, planning and design issues related to our diverse and developing coasts. Coasts & Ports 2017 will continue to publicise the persisting importance of coastal engineering problems, incorporating numerous concurrent streams for technical presentations, half-day field trips and the opportunity to network with colleagues in a vibrant social program, including a Welcome Reception, Conference Dinner and Closing Sundowner.

Coasts & Ports 2017 will be held in Cairns, Queensland, from 21-23 June, at the Cairns Convention Centre

Key Events

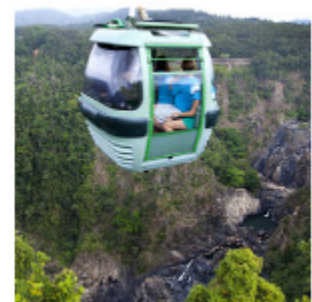

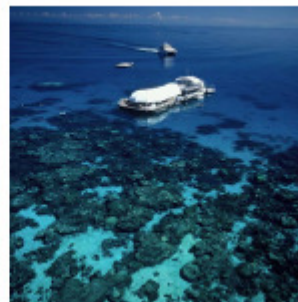

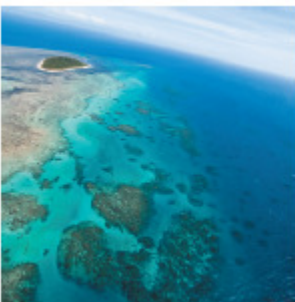

- Welcome Reception;
- nextGEN Poster Forum;
- Three day technical programme;
- Trade exhibition;
- Field trips;
- Conference Dinner; and
- Short courses.

Who Should Attend?

Coasts & Ports 2017 is an event that will be of interest to any person with a professional interest in the coastal and maritime environments. The Conference will bring together engineers, planners, scientists and researchers to focus on the technological, scientific, policy, planning and design issues related to our diverse and developing coasts. It will integrate ideas and knowledge among engineers, port and maritime operators, researchers and scientists, local/central government, maritime manufacturers, planners and policy makers and media.

Sponsorship Opportunities

There are a number of opportunities for association of your organisation with Coasts & Ports 2017, giving you the chance to raise your profile within the Australasian port, maritime and coastal sectors. This is also a unique chance to promote and exhibit to the expanding Australian coastal and port engineering markets. A variety of sponsorship opportunities are outlined in this document. These will be secured by receipt of payment on a first come, first serve basis.

CONFERENCE LOCATION

Cairns, Queensland

As a destination for international and local delegates, the Great Barrier Reef and the tropical rainforest combine to make Cairns one of the most attractive in the Asia Pacific region. Access via the multiple airline carriers who fly directly to Cairns make this a readily accessible location despite not being a capital city. Delegates will be able to take advantage of the lower costs without lacking any of the quality in accommodation or restaurants. There are many top quality 5 star luxury hotels through the range of 4 star and apartment style properties, and even excellent back packer lodgings.

Venue: Cairns Convention Centre

The Cairns Convention Centre (CCC) regularly receives global recognition as a world class conference venue. The Centre features state of the art audio visual and IT facilities with professional in-house technical and IT services. This is complimented by excellent local industry partners including staging and theming suppliers and exhibition service providers who are all highly skilled in the delivery of event requirements. The CCC offers world class hospitality services with menus featuring fresh local produce to enhance the delegates' enjoyment of the conference.
